CANDELARIA TO AMEND TECHNICAL REPORT

November 25, 2016 – Vancouver, British Columbia – Candelaria Mining Corp. (“Candelaria” or the “Company”) (TSXV:CXX) will amend its Technical Report (previously filed on SEDAR on November 3, 2016 titled, “Preliminary Economic Assessment Caballo Blanco Gold Heap Leach, Veracruz, Mexico”) to comply with the requirements of the National Instrument 43-101 (“NI 43-101”).

The contents, including the mineral resources, of the previously filed version (November 3, 2016 on SEDAR) are not to be relied on until an amended Technical Report is completed and filed.

About Candelaria

Candelaria is a Canadian-based gold development and exploration company with a significant upside in a portfolio of projects in Mexico, one of the world’s best mining jurisdictions.
